

MICAT IS CHANGING ITS NAME (NOT THE BOAT!)

The magnificent Micat will always be the Micat, but we ARE about to change the identity of the business.

Over the years we have been known as Moreton Venture, Moreton Island Ferries, Moreton Island Micat...

Our new identity will continue to recognise our history, but it will also feature the experience of visiting the island more prominently for potential visitors to see. Very soon we will be known as **Moreton Island Adventures**.

As a part of the new identity we will be launching a new logo and a new website. We'll also be upgrading the departure depot to make the whole experience of visiting Moreton Island even better.
